Key Environments

Table with 2 columns: Environment, Suitability. Rows include High Yield Environment, Low Yield Environment, Fields at High Risk of Sclerotinia, Minimum/No-Till Environments.

Suitability

Table with 2 columns: Environment, Suitability. Rows include Late Harvest, DuPont(TM) ExpressSun(TM) Herbicide System, Hulling Market.

Soils

Table with 2 columns: Environment, Suitability. Row includes Early Planting/Cold Soils.

Traits Scores for P63ME70

Characteristics Scores

Table with 2 columns: Trait, Score. Rows include Yield, Emergence, Percent Oil, Test Wt., Plant Ht., Stem Curv., Stalk Strength, Root Strength, Rust Field Tolerance, High-Oleic Score.

Diseases Scores

Table with 2 columns: Disease, Score. Rows include Root Sclero., Head Sclero., Verticillium, Phomopsis, Downy Mildew Race Resist.

Characteristics: 9 = Excellent; 1 = Poor; PAA = Predicts Above Average; PA = Predicts Average; PBA = Predicts Below Average; Blank = Insufficient Data.

[1]IMPORTANT: Information and ratings are based on comparisons with other Pioneer brand products, not competitive products. Positioning information is based upon historical observations and analysis of traits by Pioneer Agronomists and Research Managers. Trait scores are assigned by Pioneer Research Managers. Scores are based on period-of-years testing through 2011 harvest and were the latest available at time of printing. Some scores may change after 2012 harvest. Scores represent an average of performance data across areas of adaptation, multiple growing conditions, and a wide range of both climate and soil types, and may not predict future results. Products within a family receive the same score unless observations indicate a significant difference. Individual product responses are variable and subject to a variety of environmental, disease and pest pressures. Please use this information as only one component of your product positioning decision. Refer to www.pioneer.com/products or contact a Pioneer sales professional for the latest and most complete listing of traits and scores for each Pioneer brand product.
